**Group Name:** Habit Tracker with Friends

**Product Name:** RouTeam

**Team Members:** Sean, Katrin, Connor, Sidhant, Hai

**Sprint Number:** 4

**Sprint Completion Date:** 11/30/21

**Goal:** Allow users to view their friend's progress on their habits. Allow users to view the progress they've made by viewing pictures from their own habits.

### **Sprint 4:**

#### **Leftovers:**

##### **Sprint 3: Story 2, Task 7**

- Display profile page of a selected friend (select friend from friends list) - 3 hrs - Sidhant

##### **Sprint 3: Story 1, Task 1**

- Notifications implemented via email, send user a email that says they did a good job for completing a habit - 3 hours - Sidhant

**Story 1:** As an end user, I would like to view a gallery of all the images I've taken associated with a habit, so that I can see the progress I've made.

- Task 1: Create a button on habit page to navigate to the photo gallery - (1 hour)
- Task 2: Create the UI for the gallery / grid of photos - Katrin (3 hours)
- Task 3: Pull the images from the database. Given the habit name, get all the images that - Hai & Connor (3 hours)

#### **Spikes:**

- User should only be able to increment streak once a day - Sean
  - Record the date that you did the habit
- Profile page bugs: - Katrin
  - Click on all habits in the profile page - (.5 hours)
  - slider in habit buttons don't work - (.5 hours)
  - streaks need to be represented accurately - (.5 hours)
  - Sign out has bug - (2 hours)
- Remove unnecessary data from database - Connor (.5 hours)
